URGENT NEED TO CUT GLOBAL WARMING

There are several challenges that humans in the 21st century

have to address. We have created those problems and therefore we are responsible to act to mitigate and resolve them. One such challenge is that of global warming. If we fail to take urgent responsible action, we are the “devils” who will destroy God’s “good” [...]

Celebrate Democracy Day!

15th August and 26th January are important days for all Indians, including people belonging to minority communities. 15th August is the day of freedom from colonial rule, the independence of the country, and governing of the country by its own leaders. 26th January is the day of affirming that we are a democratic socialist republic [...]

Boycott, Divestment and Sanctions

9th July 2018 marked 13 years since Palestinian civil society gave the call for Boycott, Divestment and Sanctions against Israel until it complies with international law and respects Palestinian human rights. It is a moment to remember what a simple idea of non-violent resistance can achieve if people decide to organize around it. For a [...]
